Re: Notice of File Closure, Wilson Enterprises, Inc., Toprock Mine, S/045/034, Tooele County, Utah

Dear Mr. Wilson:

This letter is to notify you that the Division file, S/045/034, for the Toprock small mining project, located in the E1/2 of the NE1/4 of Section 28, T7S, R18W, Tooele County, Utah, will now be closed. You have previously informed us that you did not create any disturbance at this site, even though the site was on your past mining claims. Because we do not get involved with claim disputes, we have decided to remove this small mining project file from our records.

You are hereby released by the Division from further mining or reclamation responsibilities at this site. You are not required to pay the \$100.00 permit fee as recently requested. **Please note that release by this Division does not relieve you of any responsibility the BLM may have regarding this site or your claims.**

If you wish to conduct any future mining related activity in this area, you will need to submit a new notice to the appropriate agency(s), pay the Division permit fee, and receive written approval(s), prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5321.

Sincerely,

Tom Munson
Senior Reclamation Specialist
